

ET1-170 - Rite Gem Double-sided Rollup

Graphic Size

The graphic size area on the template represents the total area of the graphic that will be printed.

Total size is 850mmW by 2050mmH

Safe Area

On the template, the Safe Area is the front visible area that will be clearly visible after the graphic is erected. Keep all text and important images in this section.

Total size is 830mmW by 2000mmH

Obstructed Area

Because of the banner unit that holds the print, this portion of your image will be obscured. If the main artwork has a colour background it is suggested that your print into this area.

Top section is 10mmH
Bottom section is 40mmH

Unprinted Area

This is the part of the banner material that will always be rolled inside the banner unit.

Total size is 850mmW by 200mmH

**Total panel size is
850mmW by 2250mmH**
