

Product Information

Repoz is a polymeric film with a matt white finish, measuring 150 microns in thickness. It is phthalate-free, ensuring its environmental friendliness.

It is laminated with a clear adhesive that possesses the unique characteristics of being ultra-removable and repositionable. This adhesive layer is protected by a moisture-stable liner made of PE kraft weighing 140gsm, ensuring its durability and flatness.

The versatility of this product allows it to be applied to various surfaces, including smooth, flat, and slightly curved ones. It can be utilized for printing purposes using latex, solvent, eco-solvent and UV printing technologies.

This media is highly recommended for applications such as wall murals, stickers, point-of-sale signage, and trade shows. It is specifically suitable for flat or slightly curved surfaces, providing excellent results in terms of adhesion while maintaining outstanding ability to be repositioned multiple times without damaging the underlying substrate.

Shelf Life

1 year when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

Recommendations for Laminating

Please ensure the print is perfectly dry before laminating.

We suggest to let the material dry for at least 48 hours before after printing.

Technical Data

| | |
|-------------------------|--|
| Carrier | Phtalate-free matt white polymeric PVC |
| Thickness | 150 μ (+/- 5%) |
| Adhesive | Ultra-repositionable acrylic |
| Adhesion | 7 N/cm |
| Liner | Single-sided PE coated kraft paper (140 g/m ²) |
| Application temperature | +10 up to +40°C |
| Temperature durability | -30 up to +80°C |

Standard Dimensions

1370mm (wide) x 50m (long)

Safety Data Sheet

When used under normal conditions, this product does not generate or release any dangerous substances or hazardous chemicals. This is a non-hazardous product in accordance with the current GefStoffV and EU criteria. Therefore it is not necessary to prepare a Material Safety Data Sheet for this product. The Safety Data Sheet serves only to comply with the regulation to supply information in accordance with REACH Regulation (EC). No. 1907/2006 and is available on request. This product is not hazardous with regards to transportation legislation. Neither does it contain substances that are hazardous to water within the meaning of the federal water act. After use, dispose of the waste product in accordance with local/national authorities.
