

Product Information

The EasyVision Perforated One-way Vision Window Film is a high-quality, 140-micron white film, featuring a 40% open area and 60% print-friendly surface with 1.6mm holes.

It has a black-backed, calendered structure, enhanced with a removable, pressure-sensitive adhesive. This film is expertly crafted for creating one-way viewing graphics, thanks to its strategically placed perforations that facilitate one-way vision.

Offering outstanding print resolution and image clarity, EasyVision is an ideal choice for vibrant and sharp graphics. It boasts a commendable outdoor durability of up to 1 year when unprinted.

Standard Dimensions

1370mm (wide) x 50m (long)

Shelf Life

1 year when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

Recommendations for Laminating

Please ensure the print is perfectly dry before laminating.

We suggest to let the material dry for at least 48 hours before after printing.
