

Product Information

The ST Easy Install Swift High Tack is a versatile 100-micron vinyl featuring an ultra-high-bond adhesive, making it ideal for low-energy surfaces such as PE-based trash bins. With its air egress design, this calendared vinyl ensures smooth and efficient installation. Available in gloss finish with a grey adhesive backing, it is also perfect for short-term indoor and outdoor uses, including signage, point-of-sale displays, and window graphics.

Shelf Life

1 year when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

Recommendations for Laminating

Please ensure the print is perfectly dry before laminating.
We suggest to let the material dry for at least 48 hours after printing.

Technical Data

Carrier	Monomeric white matt PVC self-adhesive vinyl
Thickness	100 μ (+/- 5%)
Adhesive	Grey removeable solvent-based acrylic
Adhesion	14 N/cm
Liner	Double-sided bubble-free PE coated kraft paper (140 g/m ²)
Application temperature	+10 up to +40°C
Temperature durability	-30 up to +80°C
Durability	Up to 2 years

Standard Dimensions

1370mm (wide) x 50m (long)

Safety Data Sheet

When used under normal conditions, this product does not generate or release any dangerous substances or hazardous chemicals. This is a non-hazardous product in accordance with the current GefStoffV and EU criteria. Therefore it is not necessary to prepare a Material Safety Data Sheet for this product. The Safety Data Sheet serves only to comply with the regulation to supply information in accordance with REACH Regulation (EC). No. 1907/2006 and is available on request. This product is not hazardous with regards to transportation legislation. Neither does it contain substances that are hazardous to water within the meaning of the federal water act. After use, dispose of the waste product in accordance with local/national authorities.
