MEGA MAGSHEET

Item no. ET6-11120

Product Information

The Mega Magsheet is a gloss-finish printable magnetic sheet engineered for strong, high-resolution digital prints. With 20% more magnetic pull than standard sheets, it's built for secure adhesion in demanding applications like vehicle signage and outdoor displays. Designed for use with flatbed and roll-to-roll printers (with magnetic kits), it features a UV-coated magnetic backing that protects surfaces. Available exclusively in 0.9mm thickness, it's the go-to option when you need print quality and superior holding power in one.

Shelf Life

2 year when stored in the original packaging between 20°C and 25°C at 50% relative humidity.

Recommendations

For vehicle applications, regular removal and cleaning are recommended to prevent dust build-up that could damage the magnetised surface.

Technical Data

Face	Gloss PVC
Backing	Matt UV-coated magnet
Magnetisation	Isotropic
Surface Gauss	410 Gs (0.9mm)
Magnetic Pull	45g/cm ² (0.9mm)
Flexibility	No cracks when coiled around 1/2 ⁱⁿ radius
Hardness	Shore D 45
Compatibility	Solvent UV

Standard Dimensions

0.9mm (thick) x 610mm (wide) x 15mm (long)

Safety Data Sheet

When used under normal conditions, this product does not generate or release any dangerous substances or hazardous chemicals. This is a non-hazardous product in accordance with the current GefStoffV and EU criteria. Therefore it is not necessary to prepare a Material Safety Data Sheet for this product. The Safety Data Sheet serves only to comply with the regulation to supply information in accordance with REACH Regulation (EC). No. 1907/2006 and is available on request. This product is not hazardous with regards to transportation legislation. Neither does it contain substances that are hazardous to water within the meaning of the federal water act. After use, dispose of the waste product in accordance with local/national authorities.
