

VITABOARD PAPERBOARD

SKU: VITA1565.1218

OVERVIEW

Vitaboard is a sustainable, high-bulk paperboard ideal for retail signage, POS displays, and short-term outdoor promotional use. Designed as a recyclable alternative to PVC boards, it delivers strength, rigidity, and high print quality.

- Fully recyclable and PVC-free
- Laminated from high-quality FBB (Folding Box Board)
- 2-sided coated with off-white centre
- Excellent rigidity and sheet flatness
- High plybond strength for superior durability.
